Immediate Results Testing Nutritional Products

- What if you could measure the actual benefit of any nutritional product for yourself – before deciding to buy it?
- Would you like to see which nutritional products are truly suited for you – and which ones aren't?
- What if you could make smart choices by tapping into your own "on-board computer" – instead of wondering and guessing?
- Would you like to learn a simple, yet accurate way to test any nutritional product - for the rest of your life?

You Are Unique

"...due to genetics, blood type, metabolic rate and more. Respecting individual needs can truly optimize a person's health. Learn a valuable skill you can use for the rest of your life and enjoy higher levels of vitality now." – James Stevens, Director, JSI Institute

In One Day Learn!

- Which nutritionals your body craves
- Testing for optimal daily amounts
- Testing for best combinations
- A skill for the rest of your life
- How to help family and loved ones

Audio / Video Previews

Visit www.testyourself.info

- 3-Minute Audio - A Brief Introduction
- 15-Min Video - Nutrition Testing: How It Works
- 30-min Audio - Leaders' Testimonials

* No purchase necessary. What you'll learn works with many methods of muscle testing. Test Kits are available for purchase at the training for as low as \$149.00, and include a 10-day no-hassle refund policy and a lifetime warranty. Payment plans available. There's also an unconditional money back satisfaction guarantee on your tuition!

LODGING OPTIONS:

Visit www.orbitz.com

DIRECTIONS:

From 680 North or South, take the Willow Pass Exit and turn West on Willow Pass Road (left if you are going North, right if you are going South). Cross Contra Costa Boulevard where Willow Pass becomes Taylor Boulevard. Stay on Taylor (app. one mile) to Morello. Turn right onto Morello and make an immediate left into the Morello Shopping Center. Drive straight to the back of the shopping area. Turn right into 2255. Suite 220 is upstairs in the back.. Call (925) 286-6115 if you need assistance with directions.
